As our final year at R.F.A. seemed to race to a close, our enthusiasm as a class continued to show as we built another award winning homecoming float and sponsored an entertaining Senior play. Our academic and athletic accomplishments give us much to be proud of. As we look back on the challenges met and good times shared, even bigger challenges await us as we go our separate ways after graduation. We are thankful RFA gave us many opportunities to prepare ourselves to meet them.

Special thanks goes to our class advisor, Mr. David Jacobowitz, and to Mr. Mickler, our assistant class advisor, for their understanding, guidance, and encouragement. 79 was mighty fine!

FACULTY

What is a good teacher? We could sum it up in a name — Mort Sullivan. Imagine someone finding the time and energy to crochet enough orange and black hats for all of her homeroom students. Imagine someone never too busy to give freely of her time and herself — both to students and colleagues.

Mort Sullivan taught health at RFA for seven years and will be remembered with warmth and respect for her professional qualities. She was extraordinary in working with students and always sought and brought out the best qualities in them.

We, the class of 1979, wish to dedicate our De-O-Wain-Sta to the late Mrs. Mauricette Sullivan.

Thank you

As our year progresses we the class of "The New Decade" are showing very high spirit and getting a lot of participation from our fellow classmates. The theme for this year's homecoming was Fairy Tales, and our class produced "Humpty Dumpty." Our class missed a lot of homework for second place, but we'll win it next year. Our next project is a Christmas Dance, which I hope will be successful. After this dance, it is on to the Talent Show, which is our biggest project all year. I would especially like to thank my fellow officers Leslie, Vice-President; Tricia, Treasurer; Leanna, Secretary; Tracey, Assistant Secretary; and Miss Andrews, our Class Advisor.

SOPHOMORE CLASS OFFICERS

Joyce Davis
President

We entered RFA unsure of what lay ahead, but our spiri overcame these uncertainties. We discovered we could accomplish whatever we put our minds to. We've had a lot of cooperation from the class and I hope in the future to receive even more. I would like to thank my officers and our advisor, Mrs. Griffin, for a successful year.

I will be spending the summer of 1979 in a foreign country, under the Americans abroad Summer Program.

Here in Rome, NY or even here 1n the United States we see so little of how the rest of the world lives. We owe the peoples of the world a little of our attention. In return, they are then willing to share a part of themselves with us. Sharing experiencing, learning makes it all so worthwhile.

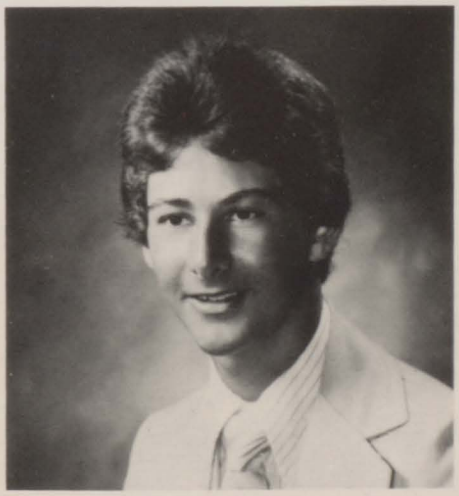
My AFS experience may be fantastic or it may not be the best. No matter what, it will still be an experience that I will cherish for a lifetime.

Kathleen Bentley
President of AFS

I spent the summer of 1978 on the Island of Maui; the second largest of the Hawaiian chain. There I lived with the Hanusa family: Mom, Dad, and David my 14 year old brother. Living with the Hanusas on Maui was an experience I will never forget.

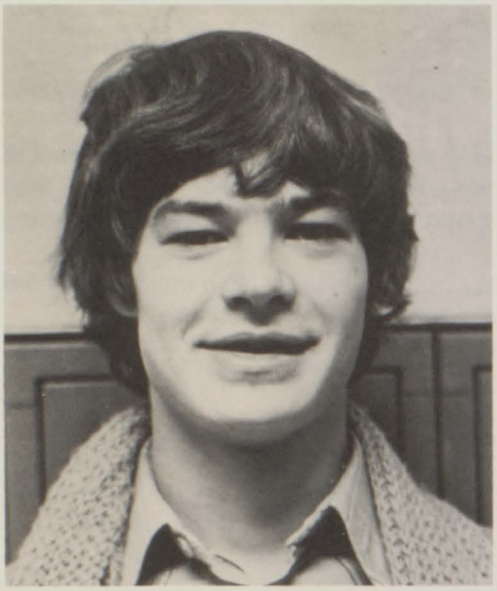
AFS has opened my eyes to the world in many ways. The happiest and saddest times of my life have been with AFS. I have learned more about life through AFS than any other organization.

Richard Pfrimmer



How do you attempt to summarize an entire semester at Rome Free Academy? So much has happened in a short time that it is hard to isolate any one event and say that it was the high point of my stay. What I enjoyed the most about Rome was the people, especially the kids in the club. Thank you for allowing me to share the first semester with you and to take part in all that happened. The people that I met here and the friendships that resulted will be remembered long after I go back to Wisconsin. I'm sure I'll be back so . . .

See you soon,
Matt Urban



Bonjour,

I am the French student from France. I am staying one year in America. I applied for this program for a lot of reasons. First, I wanted to discover a new culture. Second, I wanted to know about myself (how I react in a new situation) and finally I wanted to develop my character far from the influence of my family, friends, etc. . . .

In France I live in Burjondy. This place is known for its wine, (which I sure miss). I live in a city of 150,000 people, Dijon. This town is known for its beauty, history, architecture. Voila! I left all of this for a new life and family. In conclusion, I want to thank AFS, my new family, and you who have helped me share an experience I can never forget!

Thank you,
Pascal-Henri Dupuy

HOMECOMING WEEKEND

R.F.A.'s 1978 Homecoming Weekend (Nov. 2-6) was centered around the theme "Fairy Tales". The fun began Thursday with a car smash. A brilliant bonfire, sponsored by Key Club, followed, and then the evening climaxed with a dance featuring "Enterprise". Friday night, our Black Knights defeated U.F.A., 28-6. At half-time, Lisa Bjorlie was crowned Homecoming Queen. Nikki Watson, Laurie Fenton, Linda Briggs, and Linda Joy Coleman were selected as her court. Keeping with the weekend's theme, each of R.F.A.'s three classes designed a float as a Fairy Tale. The Senior class' "Winnie the Pooh and Piglet Too" won first prize. The juniors made "Humpty Dumpty" and the sophomores made "The Old Woman in the Shoe". "Reminiscing" was chosen as the theme song for the semi-formal held in the decorated boy's gym. The Queen and her court were escorted by Enzo Cacciatori, Dwight Davidson, Craig Moffatt, and Tim O'Meara respectively. "Destiny" provided music for this enjoyable evening. On Sunday, for the second consecutive year, a powder puff football game was played. The seniors and underclassmen battled to a 6-6 tie in overtime. Monday concluded the spirit of the weekend with a funeral march for the purpose of disposing the coffin and dummy of our defeated rival into the Mohawk River. Accompanying the march was the R.F.A. Marching Band and Flag Majorettes along with the winning senior float.

WINTER WEEKEND

This year's winter weekend, Jan. 18-20, was a memorable occasion. The sophomore slave auction began the festivities. It was a big success raising over $75. The R.F.A. "Orangemen" gained its 12th victory be defeating U.F.A. (72-39). The weekend was brought to a close by a dance sponsored by the seniors, featuring the great sounds of "Sunshine". The highlight of the evening was the crowning of the King and his court. The king was Rusty Gray and his court was Enzo Cacciatori, Nick Bottini, Mike Ringrose and Sam Trophia. Although weather conditions were not to our advantage, everyone managed to enjoy themselves.
